Administrators Turn the Wheel

Assistant Supervising Principal for Curriculum and Instruction, WALTER WHITLOCK

Under the leadership of the Board of Education, the students of Chenango Valley have been enriched in school life both academically and physically.

Over the past year, the board members have given up much of their time. Plans to remodel the science labs, a proposed swimming pool, acquisition of new lands, and buses are some of the more important accomplishments. Newly elected to the Board of Education is Dr. Charles D. Foster. The resignation of Mr. Stephen Koven has left a vacancy on the Board.

What would our school do without our cafeteria, maintenance, and custodian staffs? They provide us with nourishing lunches, transportation, and a clean building in which to learn. They are always willing to cooperate with various organizations in their bake sales, excursions and with our teams in providing transportation to the games. Our nurses and doctors also provide us with valuable health services, along with various therapeutic services that help students with special problems.

Variety Is Spice of Secretary's Life

To be a secretary means to do a large amount of typing, as Mrs. Durbin well knows.

Chenango Valley is staffed by friendly and competent secretaries, whose list of duties might very well cover this page. "No two days are alike" is Mrs. Hughes' description of the work in the main office.

Between carrying out the wishes of their bosses and dealing with 1001 interruptions, they manage to lend to our offices an air of alertness and readiness to help where they can.

Mrs. Barbara Puzo took a new position this year as a secretary in the Health Office.

State reports are an important part of Mrs. Hughes' and Mrs. Wertalik's work.

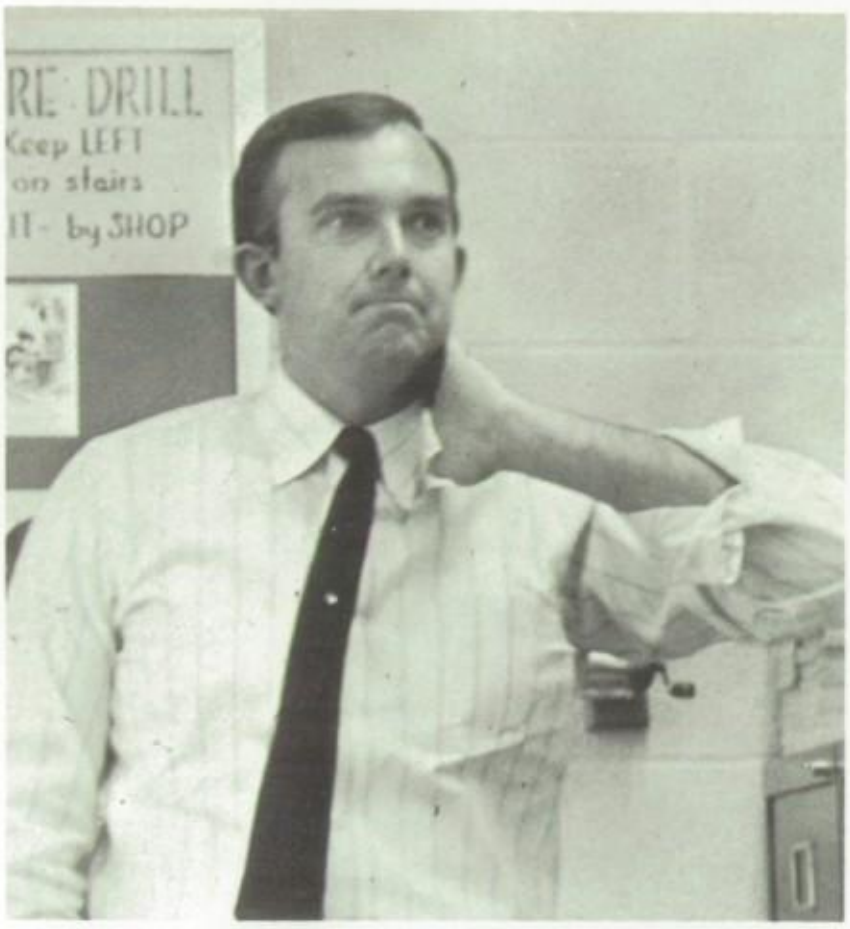
Curiosity in English is Evidenced



Asked a thought-provoking question, Mr. Schwarz proposes to give a reply.

English is more than a required subject at Chenango Valley in that it is the instrument through which all other subjects are taught. Its influence is shown in organizations such as Debate Club, Literary Club, QUILL Staff and WARRIOR Staff, which resulted from extra interest in working with the English language.

The English department was supplemented this year by three new teachers: Miss Ann Doubleday, Mr. Frank Possanza, and Miss Anita Wetherbee. Several new films were introduced this year, including Oedipus Rex, Macbeth, and Romeo and Juliet.

Mr. Munley strives to help juniors enjoy reading English literature.

Mr. Stina makes good use of the blackboard in illustrating sentence structure.

Mr. Weckel's informality puts his students at ease.

Helping students in study hall is part of Mr. Marble's job.

Life's Continuity

The knowledge gained through the study of history not only makes the students aware of past events, but also stimulates their interest in local and national politics.

History presents the foundation for student citizenship through promoting the ideals of democracy.

The audio visual aids of the History Department were supplemented by the introduction of the "Profiles in Courage" movie series to add to the student's education and enjoyment in history.

History students welcomed the addition of two new teachers, Miss Samuelson and Mr. Lunde.

A teacher's work doesn't end with the bell at 3:50. Mrs. Liddy finishes a hectic day by poring over students' essays.

Mr. Babcock examines a new modern math text in one of his spare moments.

This year has been the first in which Chenango Valley has had a completely modern math curriculum, from kindergarten through grade twelve.

A new ungraded math course has been introduced into the junior high, primarily for eighth graders, but also for those who need a refresher course in modern math.

Another new course, Consumer Mathematics, started in the fall for seniors. Some of the major topics covered are insurance, taxes, and budgets.

Math 12X, a "modern mathematical analysis" course, replaced Math 12A and 12B, and the Regents exam in this course was dropped.

Extracurricular activities of the Math Department include Matheletics and Junior High Math Club, both advised by Mr. Vianese. Mathletes meet several times during the year with students from other area schools to test their math ability by solving timed problems.

Row 1: Mr. Lawrence Cook, Cornell University; Mr. William Croman, Mansfield State. *Row 2:* Mr. Patrick Eggleston, Michigan State, Cornell; Miss Mary Elmendorf, Albany State. *Row 3:* Mr. Robert McGarry, Kings College; Mrs. Suzanne Koenig, Oneonta State. *Row 4:* Mrs. Marilyn Ross, Chairman, Albany State; Mr. Richard Weiss, John Brown University. *Row 5:* Mr. George Youngstrom, University of Kansas; Mr. Samuel Zeman, Youngstown University.

"ologies" and "isms"

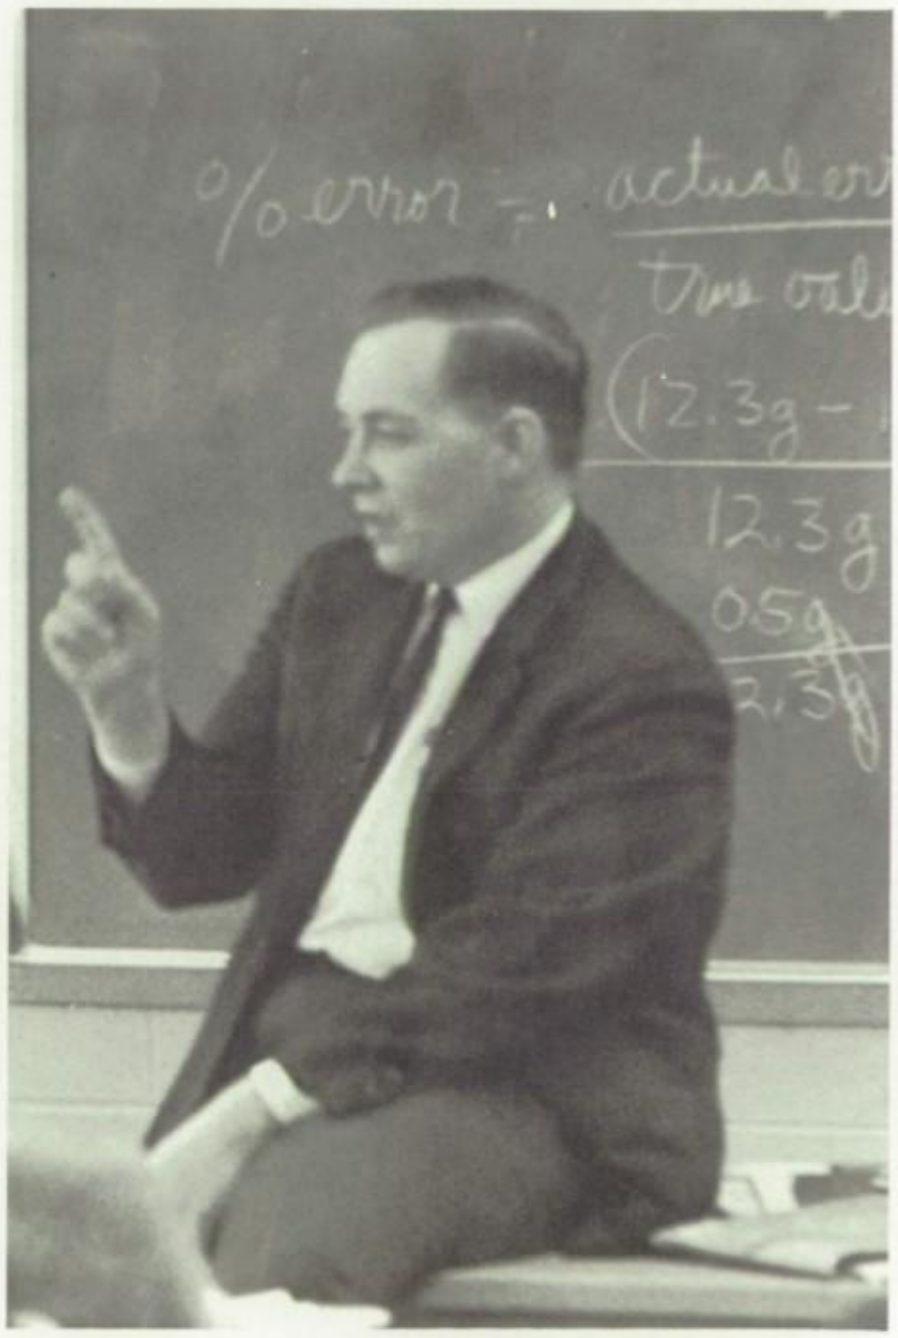
A wisecrack evokes a cold stare from Mr. Eggleston.

Fair-weather friends, Mr. Weiss, Mr. PenDell, and Mr. Zeman, demonstrate the hardships of being a teacher.

Haunt Experimenters

Geology, phototropisms, spectrology, and electromagnetism are some of the areas touched upon by avid science scholars. To facilitate the study of these subjects, several classrooms will be combined to create larger biology and chemistry laboratories.

In order to further enlighten curious minds, Chenango Valley participated in "Science for a Day", a laboratory program at Hartwick College. Students from both junior and senior high experimented with human chromosomes, rat dissections, and theories of chemistry.



According to Mr. Croman, error is an innate part of every experiment.

Linguistics Instills Understanding

The Language Department felt many changes this year, both in teachers and equipment. Additions to the staff include: Mrs. Press, Mrs. Luca, and Mrs. Romine, French; Mrs. Fernandez, Spanish; Mrs. Roussyan, Russian.

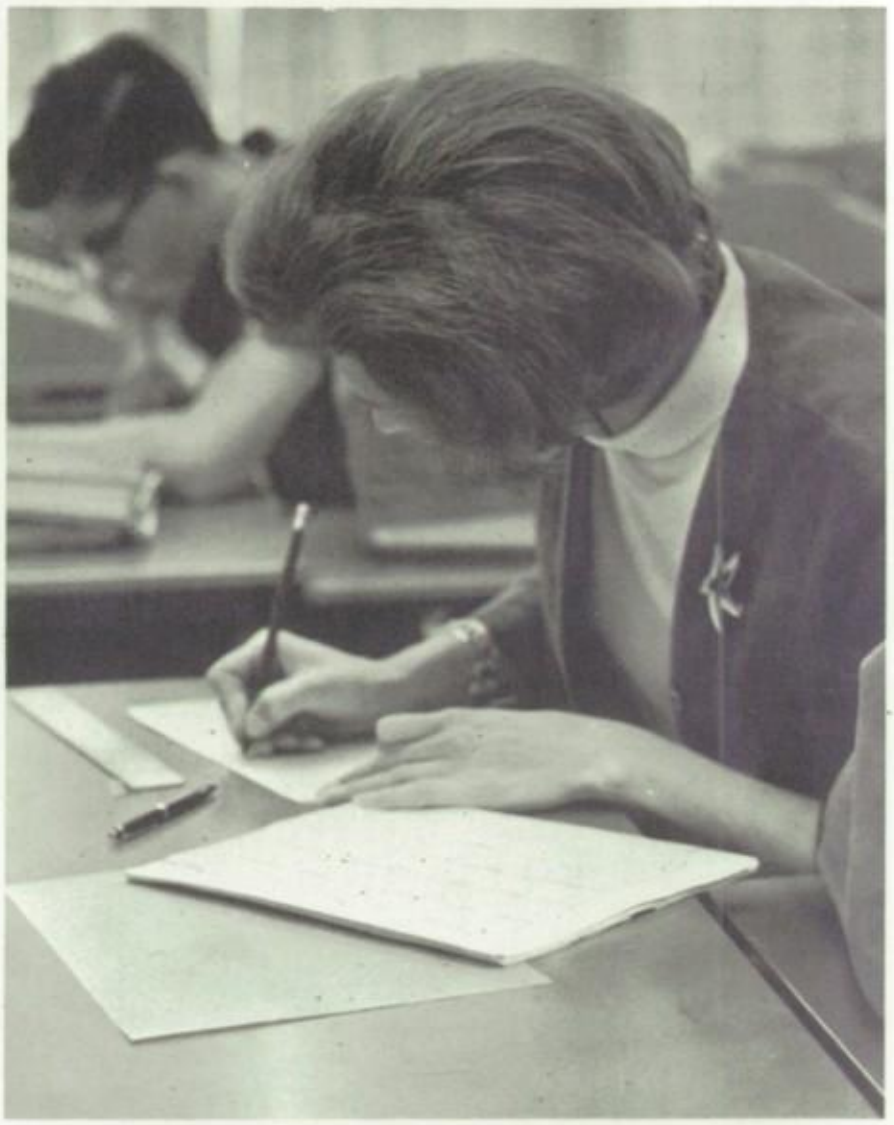
The equipment has been supplemented by four record players and four overhead projectors.

An important aim of the department is to help students gain knowledge and understanding of other cultures and peoples.

Students Learn How to Succeed in Business

This year the Business Department has widened its scope by the introduction of the following new equipment: electric and manual typewriters, adding machines, and a mimeograph machine. Shorthand students were pleased with the addition of the Transcription Lab, which enables students to take dictation at any desired rate.

Distribution II was introduced to allow students extra credit while working part time in the business world. Students who have completed Distribution II are eligible to join the newly organized DECCA Club.



Miss Torto, a commerce teacher, demonstrates that lesson plans aid efficiency.

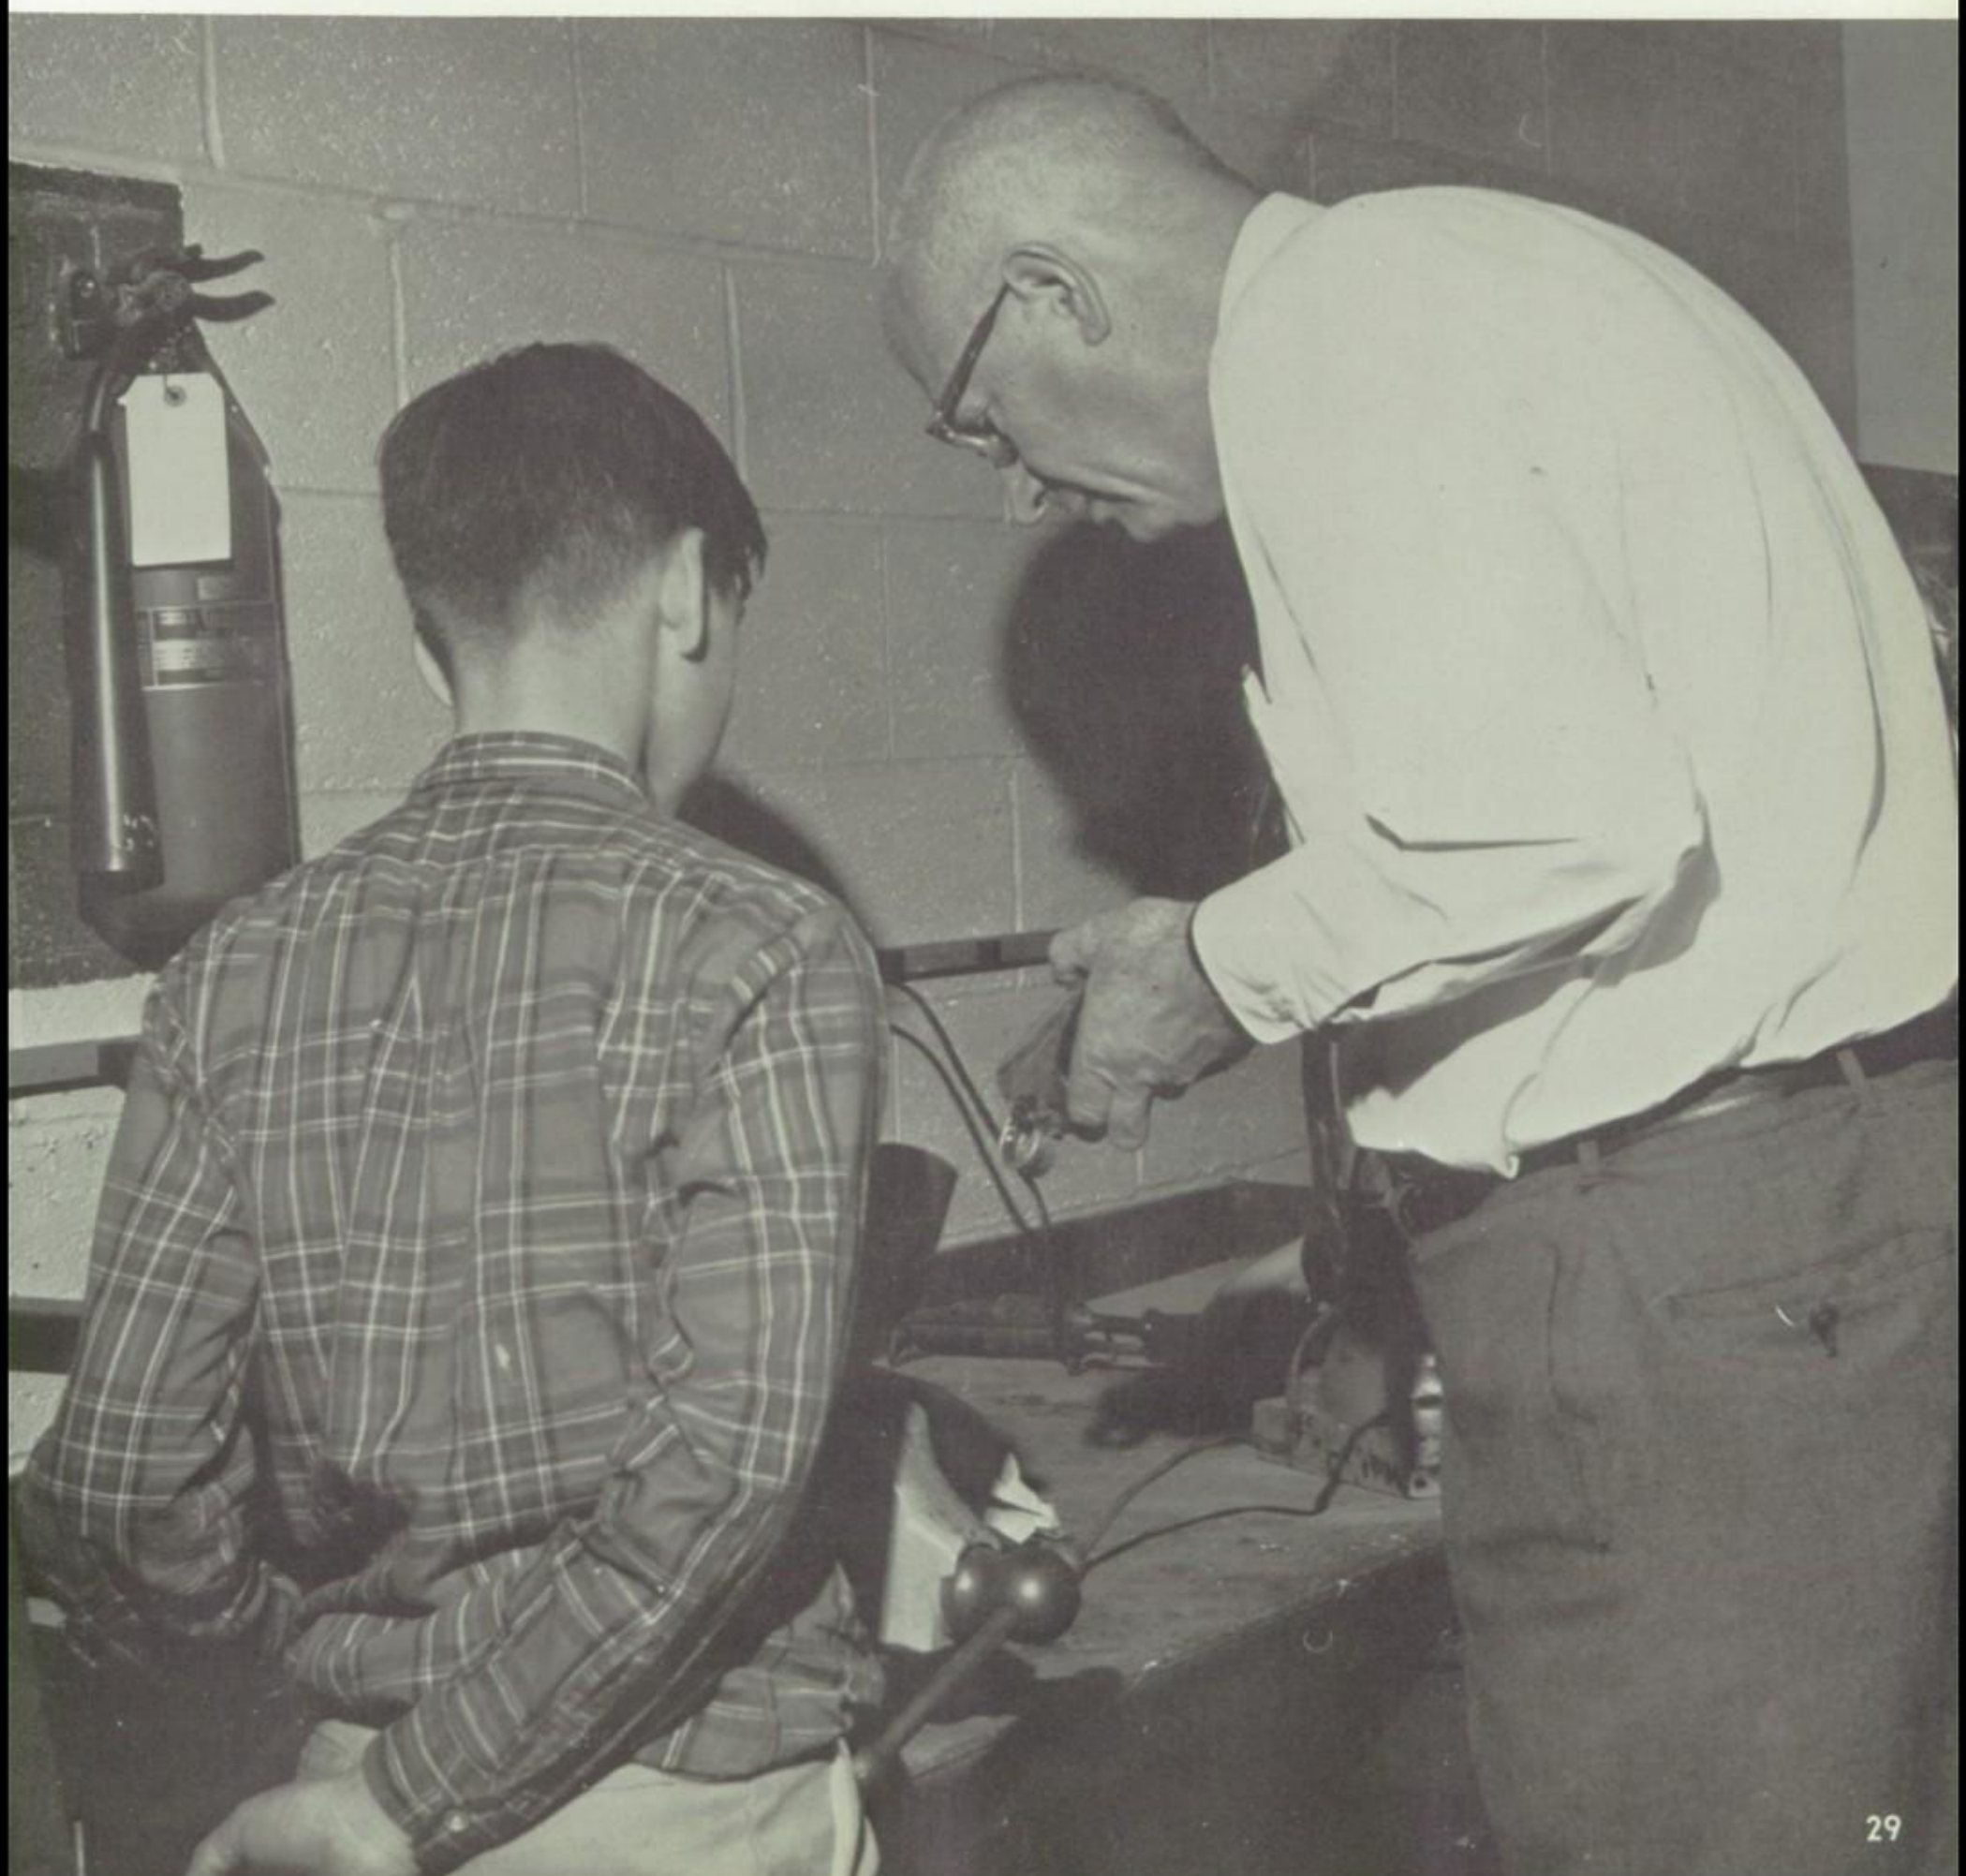
in the Kitchen and Shop

The Home Economics Department now encompasses many fields beyond that of the traditional sewing and cooking. Such new courses as nutrition, textiles, home furnishings, health, grooming, consumer buying, family relationships, child development, and the wise use of time and money are now offered.

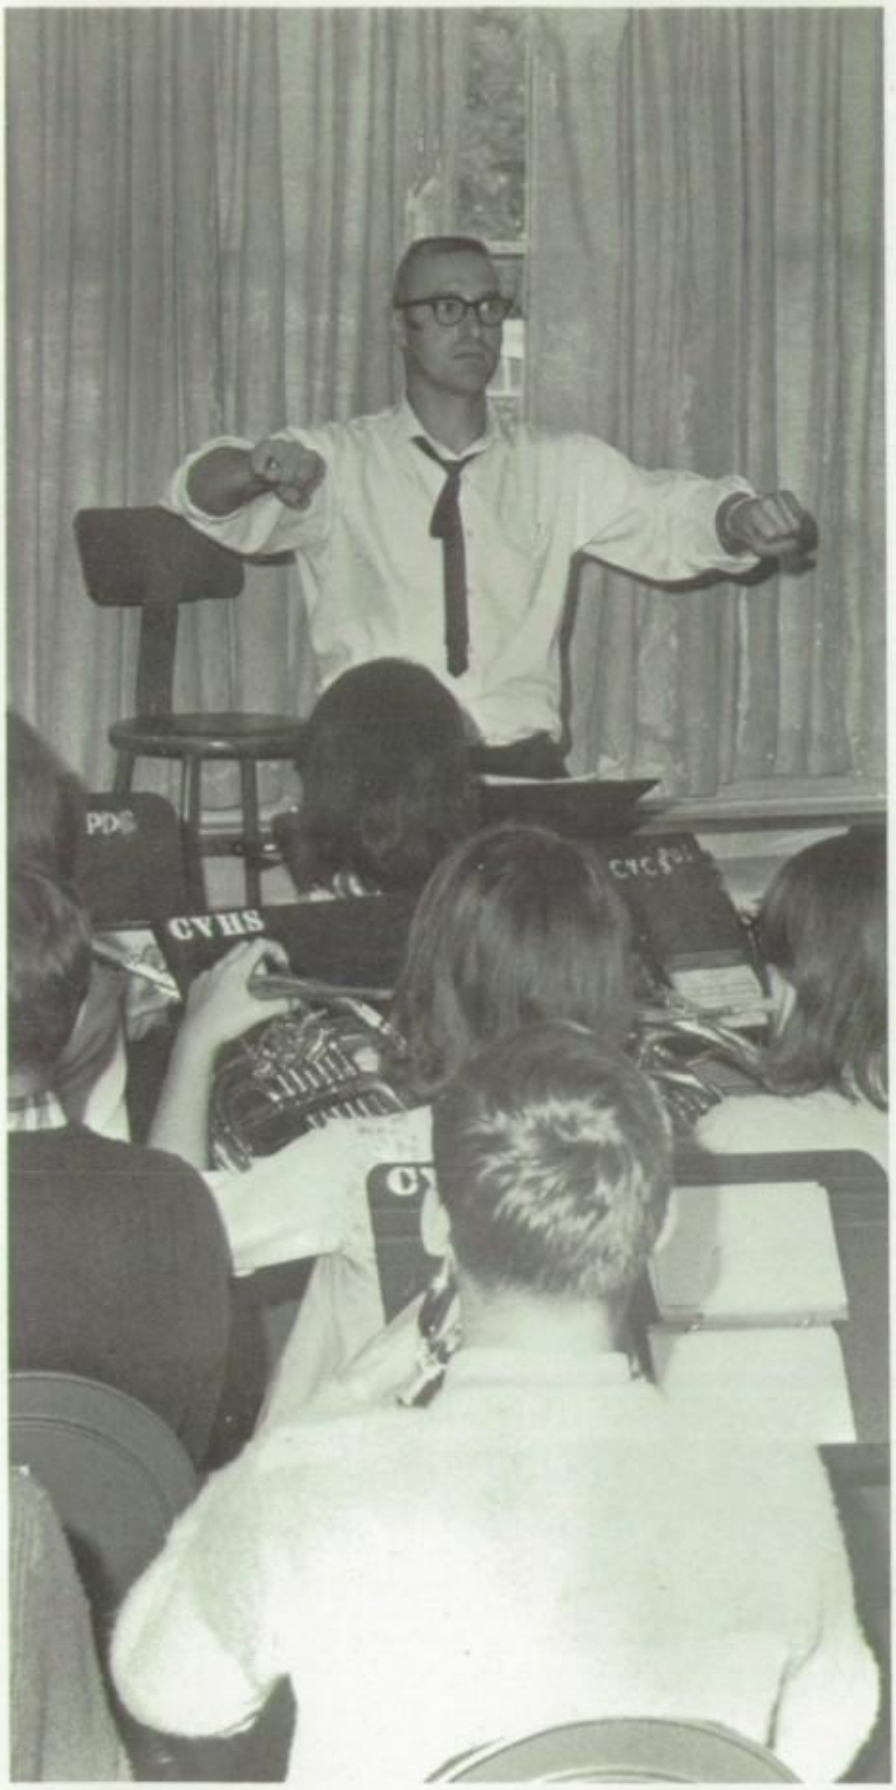
Under the direction of Mr. Milo DeCastro, Chenango Valley's Industrial Arts Department provides vocational training for many students. The program includes Wood, Metal, Auto, Electric, and Print Shops, and Mechanical Drawing.

Projects in shop are beneficial to the students and the school and range from printing tickets for school functions to rebuilding cars.

Mr. Cullen, assisting Tom Philips in sugar scoop-making, promotes greater understanding of techniques in metal craft.



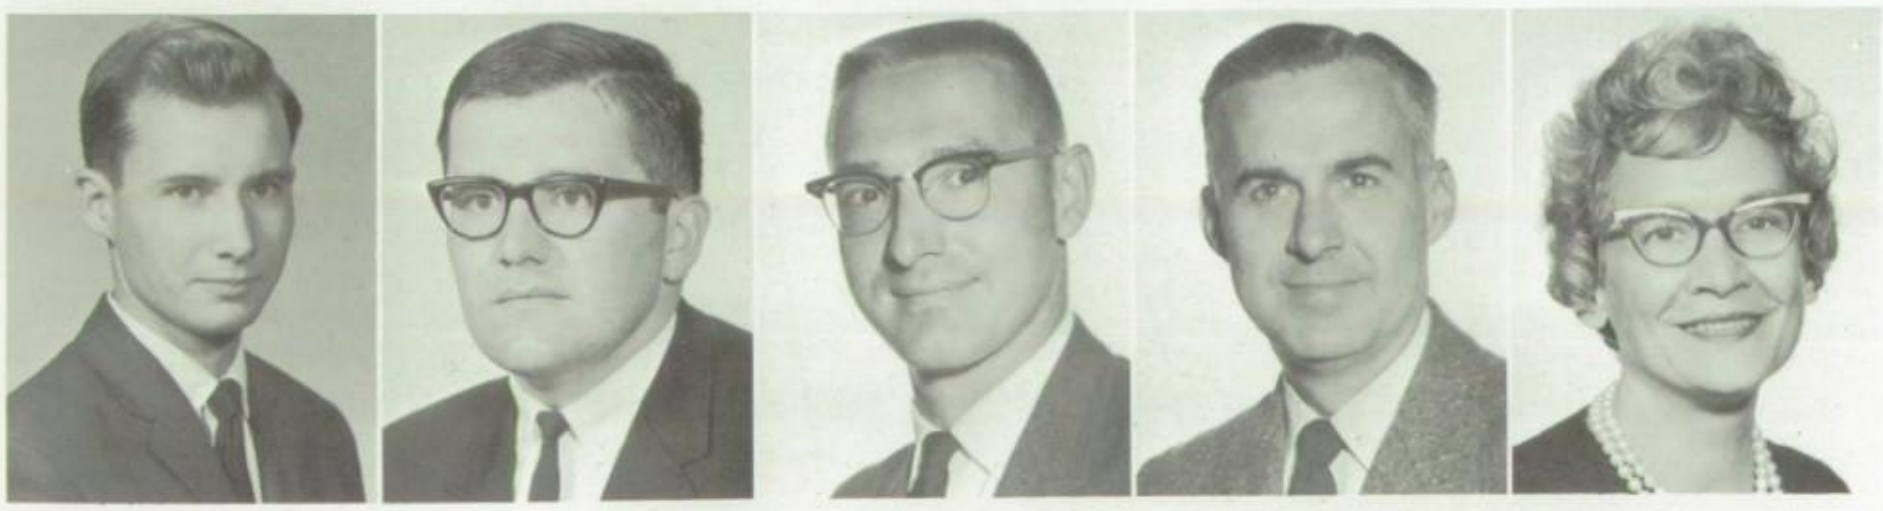
Arts Bestow



As leader of the senior high band, Mr. Fako adds a touch of culture to the lives of his students.

Mr. Buchmaier concentrates on his music for both pleasure and practice.

Mr. Gerald Bruce, Mansfield State; Mr. Richard H. Buchmaier, Fredonia College; Mr. John Fako, Ithaca College; Mr. Charles Fleming, Chairman, Ithaca College; Mrs. Avis Parsons, Potsdam State.



Enrichment

This year several promising art students plan to display their works in one-man shows in our lobby. In the music end, stage band continues with its cool beat. The orchestra, chorus, and band continue to produce pleasurable entertainment at assemblies.

Pam Pavilonis urges Barb Rapp to get a hole-in-one during a practice session in a senior girls' gym class.

Gerry DuBrava attempts a 3-point turn on Hillcrest Avenue while Ken Miller and Gary Zacharias watch.

Simulators Supplement Driver Ed

An entirely new program called "Driver Simulation" has been adopted as a cooperative effort with General Precision, Link Division, which supplied the simulators and equipment. It has proved quite effective in permitting the teacher to provide instruction under a wide variety of conditions and in providing a safe environment for perfecting driving techniques. The new simulators also make it possible for the teacher to reach a greater number of students.

Chenango Valley has added to the physical education staff two new teachers: Miss Murphy, girls' gym teacher, and Mr. Travis, boys' gym teacher and transfer from driver education.

"A healthy mind and a healthy body", are the two objectives stressed in health class. The course is divided into two parts: psychology and the study of the human body. Mr. Wilson, health teacher, uses active student participation to make the class more adult and interesting.

Mr. Wilson relaxes amid piles of books.

Students Get Help

The quietness of the library allows Regina George to relax while she does research work.

Kathy Sheffer, Mr. Garrett, Tom Pollak, and Tom Townsend tally up the magazine sales for the day.

With Careers, Books

The Guidance Department keeps the juniors and seniors informed on colleges by inviting college representatives to visit Chenango Valley. This year it supervised a magazine sales project through which the senior class earned money for graduation.

Mrs. Eleanore Robinson came back to Chenango Valley for the first semester even though she is retired. She left at the end of the first semester and Mr. Kaufman took over the position of Senior High Librarian.

Happy Days Will Be Fond Remembrances

"Strange experience", "all noise", "quite disorganized", and "brought me a headache" were adjectives of Jesus Eloy Dewey Castilla as he described the first dance he attended at Chenango Valley as an exchange student from Mexico. Eloy's interest in the English language and his desire to learn more about the United States were his main reasons for applying to the Rotary Foreign Exchange Student Program.

In Mexico, sports were Eloy's favorite form of entertainment. At CV he participated in cross country, Varsity basketball, and baseball. Also, he was active in Spanish Club and Key Club where there "was always something to do and something to learn."

Some observations of Eloy about life in the U.S. are: "many differences and kinds of rare customs" ... "most of the food is sweet and in just a few minutes is done (instant)" ... "lack of time in this country hurries days" ... "the dishes—enemy number one."

Eloy, nicknamed "Elroy" by his friends, deeply appreciated each effort that was made to give him "ten long months full of happiness and new knowledge."

Eloy jokes with Pat Lawrence and Mary Williams during the half-time of a JV basketball game.

Eloy and April O'Brien cut the cake at the traditional welcoming party.

Students Move Into Community Jobs

Certificates of graduation were awarded to five students of the Work-Study Program this year. This program, sponsored by the Broome Country Board of Cooperative Educational Services, provides for each of the students a half day of school and a half day of training and work at a community job.

Student Council has strived to higher goals this year while also maintaining its traditional events of Homecoming, the First Fall Fling, and the distribution of food to needy families.

New projects included the development of a two-party system which was used for the first time in this year's council elec-

tions. Another successful undertaking was that of Foreign Exchange Day held at Chenango Valley this fall. Thirty-nine exchange students represented over fifteen countries.

Chenango Valley was also host for this year's Area Student Council Meeting which included a dinner and discussion.

Dramatics Club Officers: Jay Barber, Treasurer; Carl Johnson, President; Christy Peterson, Secretary; Barb Brink, Properties; Tim Moses, Vice-President; Rick Gehr, Sergeant-at-Arms.

Dramatics Club, under the direction of Mr. Richard Miller, presented a remarkable presentation of *Pajama Game* in May, 1966. A sellout performance marked the first night and also boosted the club's treasury.

March, 1967 opened with a production entitled *Arsenic and Old Lace.* This was presented in place of Hamlet much to the Dramatics Club's dismay.

The club also traveled to Monticello for a Shakespearean production. Four seniors had the pleasure, this spring of traveling to New York with Mr. and Mrs. Miller for the viewing of plays.

Christy Peterson and Karol Hillard express the feelings of *Pajama Game* through song.

ORGANISTS: Linda Vergason, Bill Osborne.

The orchestra, in its second year under Mr. Bruce, displayed its talent in several concerts and shows this past year.

The organists contributed greatly to the musical world at Chenango Valley this year. They played during and after assemblies and also took on the task of playing at such things as the Kiwanis Travelogues and other outside activities.

The Glee Club is a new musical group for boys under the guidance of Mr. Buchmaier. The boys displayed their talent as well as their sense of humor at many of our school assemblies during the past year.

The Concert Choir performed extremely well at the Christmas assembly, both for the students and the public.

JUNIOR HIGH BAND

"And the night will be filled with music"

Precision is shown in the marching of the Color Guard: Margo Brown, Pam Traxler, Sue Benning, Betsy Evans, Nancy Tingley, Cheryl Randall.

The Chenango Valley Senior Band, quite active this year under the direction of Mr. Fako, succeeded in securing new uniforms. It looks as if a tradition has been set by the band; they held their second annual Pancake Day, which contributed greatly to the treasury. The band also went on concert tour to such schools as Chenango Forks and Windsor.

Along with the Senior Band the Color Guard entertained football fans at halftime shows.

The Stage Band, led by Mr. Buchmaier, became one of the most talented music groups at Chenango Valley. This was illustrated by their performances at school assemblies.

The Junior High Band flourished under the leadership of Mr. Fleming.

Stage Band displays musical talent.

JUNIOR HIGH CHORUS

Music is Total Communication

Junior Chorus expanded its membership this year under Mr. Buchmaier. They performed at the annual Christmas Assembly and later started several new numbers with which they entered competition.

The twirlers entertained regularly at football games. Freshman Pat Satterwaite gained recognition as the National Junior Twirling Champion.

The purpose of Latin Club is to show how Roman culture and the Latin language affect our present-day culture. This year the club amended its constitution, adding two new officers and establishing a new rule, refreshments at every meeting. Officers were Andy Pierce, president; Pat Scrivener, vice-president; Marsha Jones, secretary-treasurer; John Burtis, Publicity Chairman; Marion Smith, Refreshment Chairman.

French Club traveled this year after sponsoring French movies and rummage sales. The club went to Kings College in Wilkes-Barre to see the play *Les Femmes Savantes* by Moliere. Then it was on to Quebec in the spring to see a "true" French city.

Russian Club has steadily grown into an active and interesting organization. They have undertaken many projects this year in order to obtain money for their treasury.

Members of Spanish Club added spice to the lives of the people at the Broome County Health Center this Christmas as they caroled in Spanish. Spanish IV, a subdivision of the club, took a trip to New York City this spring.

Good Citizenship

Faith Prentice outlines pennants for the History Club.

The purpose of Historical Society is to promote the importance of history in our everyday lives. With this end in mind the club made a field trip to Clinton, New York to see how the reconstruction of the Chenango Canal was progressing. A spring trip to Gettysburg and Harper's Ferry proved very interesting. To raise funds for their trips the club sponsored movies at CV and sold Warrior pennants. The final project of the year was the giving of a cash prize to a senior who is planning to major in history at college.

The Debate Club very successfully represented Chenango Valley at several interscholastic televised debates. Under the guidance of Miss Ferranti and Mr. Reardon, this organization helps develop effective public speaking in its members. Meetings of Debate Club take the form of lively discussions of current topics. The club also coached the newly-formed Junior High Debate Club.

Special thanks should go to Tech Crew again this year for their help behind the scenes at all assemblies and productions.

Under the direction of Mr. Vianese, the junior and senior "mathletes" compete with nine area schools in mathletics.

Under Phil Long, president; Charles Slagle, vice-president; Ginny Harrison, secretary; and Steve Gilbert, treasurer; the Jr. Math Club raised funds by selling candy and stationery and by sponsoring movies and a bake sale. The money was used for a trip to Expo '67 in Montreal during the Memorial Day Weekend.

A now rebounding record of 69 was also set; this record had not been broken in two, years.

Junior Varsity had also achieved a good record winning 10 out of 14 games by the time this book went to press. High scorers this year for the Junior Varsity were Marty Bruet, Jay Barber, and Gerry Newby.

Al Reid, Larry Horvath, and Stanton Rines were instrumental in helping to win our track meets by putting to use their expert pole vaulting ability. The team will have an increased potential ability during the coming seasons with the help of this year's junior high team.

graduation . . . .

. . . the end . . . or the beginning?

YES . . . AND NO . . .

Graduation is the end of an era in your life.

It's also the beginning of a new era for you . . . a period when the responsibilities of adulthood suddenly appear.

"Bank standing" is something that will help you meet those responsibilities head-on. By doing business with a bank through use of checking, savings, loan or other facilities, you establish the financial reputation and maturity that today's successful person needs.

Throughout your life . . . the only bank you'll ever need is First-City.
